LHC NOTICE: **MURDER SPARKS PROTEST**

LAHORE, FEB 15, 2014

On Saturday, Lahore High Court Complaint Cell took notice of a press report on administrative side regarding protest at the murder of a man whose son was also murdered.

The Cell has directed the District & Sessions Judge, Faisalabad to look into the matter and submit a detailed report regarding steps taken by police along with his own comments within a week.

According to details, dozens of people including women and children staged a protest on Commissioner Office Road at the murder of a man whose son was also murdered couple of years back. Protesters blocked traffic on Jail Road against police failure to nab the killers of Sarfraz Khan who was gunned down by motorcyclists. The family members of the deceased said the police arrived at the place of incident after one hour though the Civil Lines police station was close to it. The protesters manhandled some motorists who were breaking the blockade. They said Sarfraz was allegedly killed by those who had gunned down his son, Ali Raza, on 29 Oct, 2010. The D-Type Colony police investigating the case had yet to arrest the suspects. They said the culprits had threatened Sarfraz with dire consequences for pursuing the case. However, people dispersed after being assured by the police that suspects would be arrested soon and negligent policemen taken to task.
