**RELATIVE ACCUSED OF KILLING**  
**MINOR GIRL**

**LAHORE, MARCH 05, 2014**

On Wednesday, Lahore High Court Complaint Cell took notice of a press report on administrative side regarding murder of a 8-year-old girl by her relative after alleged assault.

The Cell has directed the District & Sessions Judge, Rahim Yar Khan to look into the matter and submit a detailed report regarding steps taken by police along with his own comments within a week.

According to details, police said the girl was picked from her house in Ram village by a relative, who allegedly molested and later killed her. He then threw the body near her house and fled away. The family had named a relative as the suspect. Police believed that there were at least two more men involved in the crime. A case had been registered with Shidani police on the complaint of the child's father. Police authorities visited the bereaved family at their house and assured them that the criminals would be arrested soon. This was the second rape incident in the district in a week after another eight-year-old was killed after assault. Several families gathered in front of the DPO's office and demanded that the area be provided proper security. **(MEDIA CELL)**
