LHC NOTICE:
FAMILY OF MURDERED WOMAN
PROTEST AGAINST POLICE

LAHORE, APRIL 02, 2014

On Wednesday, Lahore High Court Complaint Cell took notice of a press report on administrative side that the family of a woman who was allegedly tortured to death protested against the police for not registering the case.

The Cell has directed the District & Sessions Judge, Gujranwala to look into the matter and submit a detailed report regarding steps taken by police along with his own comments within a week.

According to details, Sardaran Bibi said her daughter Nazia Bibi contracted marriage with Qaiser Sindhu. He divorced Nazia in September 2008. She said after the divorce, he used to call her and threaten her. Once, Sindhu came to their house and took Nazia away at gunpoint. Sardaran Bibi said she had filed an application regarding kidnapping with Gakhar police but it refused to register the report. She then wrote to the CPO Gujranwala who had forwarded her application to the Ghakhar police but even then they did not take any action. Meantime, Peoples Colony police found dead body of Nazia at Haidery Road who was apparently beaten to death.

When the victim's family approached the Ghakhar police to register a murder case, they again ignored on the pretext that the dead body was not recovered from their jurisdiction. Whereas, the family of the victim maintained that she had been kidnapped from the remits of Gakhar police station and that Ghakhar police should file a case.
