**RAPISTS OF TWO SISTERS**

**LAHORE, MAY 02, 2014:**

On Friday, Lahore High Court Complaint Cell took notice of a press report on administrative side that two sisters have sobbed their heart out over alleged assault by a gang which included a senior police officer.

The Cell has directed the District & Sessions Judge, Bahawalnagar to look into the matter and submit detailed report regarding steps taken by police along with his own comments within a week.

According to details, the victims, both residents of Riaz Colony Haroonabad narrated their ordeal to the media that they were on their way home an accused forcefully took them to his factory and he with a senior police officer and four others molested them. The victims said when they begged for mercy the police officer took them to his vehicle and asked them that he would drop them at their residence but instead took them to his place at Wapda Scarp Colony, where he again sexually assaulted them. The girls said they managed to escape and contacted the police emergency service (15) responding to which sub-inspector Akbar reached and took them to the city police station.

The affected girls said when they pleaded their case before the Haroonabad city SHO, he claimed that the incident did not take place in his remit and that they should lodge their complaint at the Faqirwali police station. The Faqirwali SHO did not turn up during their presence and the police asked the victims to forgive and forget the said incident. The police also threatened them with dire consequences if they pursued the case. The ill-fated girls said they had contacted the media as a last resort. They also requested the high-ups for taking stern action against the delinquent police officer and his accomplices. **(MEDIA CELL)**
